STAGE 1: End-User makes \$500 Deposit and completes Layaway Registration Form (page 4); Dealer orders Grasshopper Tractor & Deck, including accessories or implements (grasshoppermower.com/wgorders or Layaway Sales Order Forms).

Within 10 days after sales price is confirmed and deposit is made by End-User, Dealership sends to the Grasshopper factory for every Layaway sale:

1. \$500 Deposit for each Layaway sale
2. Completed Layaway Registration Form (page 4)
3. Layaway Wholegoods Sales Order Form (grasshoppermower.com/wgorders or Layaway Sales Order Forms)

All forms must include End-User name, equipment ordered or equipment in-stock and applicable tractor, deck and implement serial numbers. Scheduling all the layaway equipment to a single shipment avoids duplicate freight charges and must occur no later than 2/29/17.

FALL RETAIL OPTIONS

FALL DELIVERY WITH IMPLEMENT When End-Users reserve a Layaway Tractor & Deck, then decide to take delivery in Fall rather than April, they must also purchase a Grasshopper implement, (e.g. Snowthrower, PowerVac Collection System, Dozer Blade, Turbine Blower, Rotary Broom, Edge-EZE, Shielded Sprayer) to be eligible for the \$500 Retail Bonus offer.

FALL DELIVERY WITHOUT IMPLEMENT If End-User wishes to take Fall delivery, but does not purchase an implement, they would still qualify on the HarvestPLUS promotion, which allows (1) \$1000 OFF MSRP on PowerVac Collection System, (2) \$400 OFF Implement or Accessory (\$292 dealer credit), (3) \$200 Instant Rebate or (4) ZERO% Financing.

SECTION 179 EXPENSING FOR SMALL BUSINESS

The maximum expense deduction has increased to \$500,000 for qualifying depreciable business assets acquired in tax years beginning in 2016 and put into service by 12/31/16. End-User who utilizes the Section 179 Tax Advantage may either proceed with the Layaway sale by purchasing an implement with a new Grasshopper Tractor & Deck or they may choose one of the four offers of the HarvestPLUS program. Their purchase must be delivered before 12/31/16.

Buyers should consult their accountant regarding how Section 179 can work in their application. They can get an idea of tax savings with one of many free Section 179 Tax Calculators online. In search engine, type "Section 179 Tax Calculator" for results.
